

Singer on the Subway

by Mariano Aguirre

A fabulous falsetto

On the Subway;

smiles on our ears.

The Girl from Ipanema

soothes out the crying train

sweetening its tears.

Flowing down its heart

memories of glories past

in the entrails of the island.

Is This Love? Continues

with the famous "Tuff Gong" song

the thin but clear falsetto.

On the Subway,

a smile is more important

than a donation.

Llorarás y llorarás

the falsetto warns,

with no one to console

Sweet Jane; in the underground

Velvet wheels for the soul of steel

leaves, the fabulous falsetto

On the Subway
